

## **Dr J. E. Pearson**

Dr. J.E. Pearson was Head, Scientific and Technical Department of the Office International des Epizooties (OIE), the World Organization for Animal Health, from August 1999 until July 2002.

He has continued to provide support to the OIE on scientific and technical subjects.

From 1990 to 1999, Dr Pearson was Vice President of the Standards Commission of the OIE.

Dr. Pearson was on the staff of the USDA'S National Veterinary Services Laboratories (NVSL), in Ames, Iowa and Plum Island, New York from 1970-1999.

During that time he was Section Head and Chief of the Diagnostic Virology Laboratory and Director of the NVSL.

Dr. J.E. Pearson obtained his Doctor of Veterinary Medicine and Master of Science degree in Veterinary Microbiology from Iowa State University.
