TEXT OF RESOLUTION

CONCERNED at the increasing traffic in cocaine from certain regions of South America to other parts of the world;

The ICPO-INTERPOL General Assembly, meeting in Cannes from 19th to 25th September 1974 at its 43rd session:

RECOMMENDS:

1) That countries from the cocaine-producing areas ratify the 1961 Single Convention on Narcotic Drugs, or accede to it, if they have not already done so;

2) That countries where the coca leaf is grown exercise the control system required by the Single Convention, where this is not already being done, and that where wild growth or illicit cultivation occurs steps be taken to eradicate this as required by Article 26 of the said Convention.
