TEXT OF RESOLUTION

BEARING IN MIND the terms of Resolution No. AGN/54/RES/9 entitled "Construction of the new Headquarters",

CONSCIOUS of the fact that, in view of the bomb attack on the Organization's present Headquarters, additional security measures will be necessary to ensure better protection of the new Headquarters, the cost of those measures having been estimated, at July 1986 prices, at 2,320,000 French francs exclusive of tax,

CONVINCED that it would be useful to provide accommodation on the premises for the Organization's Secretary General,

HAVING BEEN INFORMED that such accommodation will not result in any extra cost since it has proved possible to reduce the total usable surface area for offices by 346 square metres,

The ICPO-Interpol General Assembly, meeting in Belgrade from 6th to 13th October 1986 at its 55th session:

AUTHORIZES additional security measures for the protection of the new Headquarters, the financing of such measures being covered in a separate resolution;

AUTHORIZES an increase, from 300 square metres to 475 square metres, of the total usable surface area for accommodation for staff living on the premises.
