TEXT OF RESOLUTION

HAVING REVIEWED the General Secretariat's Report No. 7, "National Statistics on Illicit Drug Production, Traffic and Use in 1984",

HAVING ALSO REVIEWED the ICPO-Interpol system of collection and dissemination of data relative to drug trafficking and drug-related criminality,

REALIZING that the National Statistics on Illicit Drug Production, Traffic and Use submitted annually by member countries constitute an important element in this system,

RECOGNIZING that precise and uniform data are essential for assessing the international situation pertaining to illicit traffic in narcotic drugs and psychotropic substances and monitoring the evolution of such illicit traffic,

AWARE that the current form for transmitting national statistical data, as approved by the General Assembly at its 46th session (Stockholm, September 1977) may no longer meet present requirements, particularly in relation to psychotropic substances,

HAVING REVIEWED a draft amendment of the form "Annual National Statistics on Illicit Drug Production, Traffic and Use", presented by the General Secretariat,

HAVING NOTED the recommendation passed by the 11th European Meeting of Heads of National Drugs Services held in Saint Cloud, France, from 10th to 11th April 1985, endorsed by the 14th European Regional Conference held in Saint Cloud from 24th to 26th April 1985,

The ICPO-Interpol General Assembly, meeting in Washington, D.C. from 1st to 8th October 1985 at its 54th session:

APPROVES the form "Annual National Statistics for Illicit Drug Production, Traffic and Use", as amended by the General Secretariat;

ASKS the General Secretariat to take appropriate steps to have the form, as amended, introduced and brought into use at the earliest possible date.
