THEFT OF WORKS OF ART AND CULTURAL PROPERTY

TEXT OF THE RESOLUTION

HAVING HEARD the General Secretariat's report on the 2nd International Symposium on Theft of Works of Art and Cultural Property which was held at the Organization's Headquarters from 14th to 16th September 1983,

NOTING THAT several countries are working on the computerization of data on stolen cultural property,

HAVING NOTED THAT the participants at the above Symposium as well as those at the 12th European Regional Conference (1983) recommended that such data should be standardized so as to facilitate international co-operation,

The ICPO-Interpol General Assembly, meeting in Cannes from 18th to 25th October 1983 at its 52nd session:

DECIDES to set up a Standards and Documentation Committee to study existing applications of electronic data processing to stolen cultural property, and those under development, and to recommend specific criteria common to all applications.
