Case details: FERNELLY AMEZGUITA ACOSTA is suspected of international drug trafficking. In 2009 Malian authorities discovered a burnt-out aircraft near Tarkint in the southeast of the country. Investigations revealed that the aircraft had been carrying cocaine and that Luis FERNELLY AMEZGUITA ACOSTA was the aircraft mechanic in the three-man crew. It is believed that the crew failed to take off in time, and unloaded the drugs from the aircraft before setting fire to it.

FERNELLY AMEZGUITA ACOSTA speaks Spanish, French and English.

THIS PERSON IS BELIEVED TO BE IN THE AMERICAS REGION.
