

INTERPOL

STRATEGIC FRAMEWORK 2014-2016

VISION

Connecting police for a safer world

MISSION

**Preventing and fighting crime
through enhanced
cooperation and innovation on
police and security matters**

STRATEGIC PRIORITIES

1 Secure global police information system

- 1.1 Operate, maintain and enhance products and infrastructure services (INTERPOL Secure Cloud)
- 1.2 Broaden access to products and services
- 1.3 Pursue and optimize interoperability with other police information systems

2 24/7 Support to policing and law enforcement

- 2.1 Provide urgent 24/7 services on police and security matters
- 2.2 Support the development of the role and capacities of NCBs
- 2.3 Effectively and efficiently deploy operational support teams in support of member countries' needs

3 Innovation, capacity building and research

- 3.1 Enhance provision of training and technical assistance by leveraging law enforcement expertise and resources
- 3.2 Develop certification, accreditation and standards for policing and security matters
- 3.3 Increase partnerships, research and innovation on security
- 3.4 Provide innovative cybercrime training and digital forensic assistance
- 3.5 Develop partnerships to support development and capacity building efforts for countries in post-conflict situations

4 Assisting in the identification of crimes and criminals

- 4.1 Develop, maintain and expand criminal information database services
- 4.2 Ensure the high quality of data through quality control mechanisms
- 4.3 Provide operational and specialized investigative support to enable member countries to conduct international operations and investigations
- 4.4 Deliver global capability for integrated border management
- 4.5 Provide a platform on technologically-enabled threats, incl. cybercrime, in a multidisciplinary approach

CORPORATE PRIORITIES

5 Ensure organizational health/sustainability

- 5.1 Strengthen support areas, maintaining and enhancing the technical infrastructure in all sites and ensuring the efficient delivery of products and services
- 5.2 Improve the human resources strategy with a view on attracting, retaining, fostering and developing INTERPOL talent within a diversified and healthy environment
- 5.3 Develop and enhance strategic, financial and operational cooperation with public and private sector entities while ensuring transparency and independence

6 Consolidate the institutional framework

- 6.1 Ensure compliance with INTERPOL rules and regulations
- 6.2 Strengthen the governance mechanisms of the Organization
- 6.3 Reinforce INTERPOL global impact by building governmental, institutional and financial support
- 6.4 Enhance INTERPOL's mission for a safer world through strategic communications
- 6.5 Develop networks of cooperation with other International Organizations in strategic domains
