

Resolution No. 11

GA-2025-93-RES-11

Subject: INTERPOL Strategic Framework 2026-2030

The ICPO-INTERPOL General Assembly, meeting in Marrakech, Morocco, from 24 to 27 November 2025, at its 93rd session:

RECALLING Article 8(b) of INTERPOL's Constitution, according to which the General Assembly shall "determine principles and lay down the general measures suitable for attaining the objectives of the Organization",

REFERRING to the insights received through the extensive internal and external consultations with member countries and partners during the development process of the Strategic Framework 2026-2030,

TAKING NOTE of the completion and review of the Strategic Framework 2022-2025 and the support expressed by member countries over the last four years,

BEARING IN MIND that in a world where crime knows no borders, collective action is essential to achieving our goals towards creating a safer world,

COMMITTED to serve as a unifying force that brings together police and stakeholders from around the globe with a shared aim: to tackle crime and create a safer world,

COMMITTED to working together and leveraging our collective strengths and expertise to make a meaningful impact in the fight against crime,

COMMITTED to enhancing its support to INTERPOL's 196 member countries with the aim to connect and empower global law enforcement for a safer world,

CONSIDERING that the Executive Committee has endorsed the INTERPOL Strategic Framework 2026-2030,

APPROVES the INTERPOL Strategic Framework 2026-2030 with its Vision, Mission, and Strategic Goals, and supports its implementation over the next five years.

Adopted: 114 votes in favour, 0 against, 1 abstention
