

RESOLUTION

Subject: INTERPOL GSI Vision: 21st Century Law Enforcement to Meet Global Threats

The ICPO-INTERPOL General Assembly, meeting in St Petersburg, Russia, from 7 to 10 October at its 77th session:

ACKNOWLEDGING that INTERPOL, through its commitment to strengthening law enforcement in 186(7)* countries, is to deliver a longer-term global security strategy that will guide the Organization's development, identify and respond to critical resource requirements, and serve as a vehicle to articulate INTERPOL's strategic priorities,

MINDFUL of the intent of the General Secretariat, with the close oversight of INTERPOL's Executive Committee and consultation with NCBs, to further develop an organizational strategic framework that seeks to provide the most value to its members and the broader global community,

NOTES the General Secretariat, through the Global Security Initiative, will guide the development of an INTERPOL Strategic Plan that will take into account the following core components:

- i. ***Global Security:*** *Combating Transnational Crime, including Terrorism through Enhanced Information sharing and connectivity, Data Management and Analysis*
- ii. ***Secure Global Infrastructure:*** *Leading-edge Communications, Analytical and Cyber Security Initiatives*
- iii. ***Global Law Enforcement Capacity:*** *A 21st Century Training and Capacity Building Initiative for Law Enforcement*
- iv. ***Strategic Global Partnerships:*** *Encouraging Government and the Private Sector Investment in major strategic initiatives will ensure that INTERPOL's Vision and Mission are realized*
- v. ***Innovation:*** *Ensuring that INTERPOL becomes a focal point where state of the art ideas, tools and approaches to policing in the 21st Century are discussed.*

HAVING IN MIND that such Strategic framework and additional resources would be of benefit to the Organization, including its National Central Bureaus, the law enforcement entities they serve, and the General Secretariat,

ENDORSES INTERPOL's development of a Strategic Framework through the INTERPOL Global Security Initiative for the 21st Century that would attract funding from governments and the private sector to ensure that INTERPOL's strategies and activities address 21st Century threats and Global Law Enforcement requirements.
