TEXT OF RESOLUTION

HAVING CONSIDERED Report No. 26 entitled `Amendment of the "Rules governing the database of selected information at the ICPO-Interpol General Secretariat and direct access by NCBs to that database"',

TAKING ACCOUNT OF the opinion expressed by the ad hoc Committee meeting in application of Article 56 of the General Regulations,

WISHING to institute rules which are better adapted to practical requirements and to new techniques,

The ICPO-Interpol General Assembly, meeting in Beijing from 4th October to 10th October 1995 at its 64th session:

Adopts the following amendments to the Rules governing the database of selected information at the ICPO-Interpol General Secretariat and direct access by NCBs to that database:

Article 3(4) to read as follows:

"The General Secretariat shall take all appropriate measures to ensure that neither the NCBs, nor the said official institutions, nor third parties which have not been allowed direct access to an item of police information, can obtain that item of information from the database **or from the General Secretariat's general criminal records, unless the NCB of origin specifies to the contrary.**"

A new paragraph will be added at the end of the list of non-personal information in Appendix 1 of the Rules, to read as follows:

"Descriptions of vehicles, planes or boats, or any other means of transport where there is reasonable cause to suspect that they have been, or are likely to be, used in the commission of international criminal activity."

These two amendments shall be immediately applicable.

Article 5(1) and 5(2) of the Rules will be deleted. The entry into force of this deletion is postponed until 1st January 1996.
