TEXT OF RESOLUTION

NOTING THE CONTENTS of Report No. 11, entitled "Computerization and telecommunications",

BEARING IN MIND the development of the telecommunications facilities available to the Central Station and the Regional Stations in the ICPO-Interpol telecommunications network,

BEARING IN MIND also the financial consequences of the General Secretariat maintaining HF radio communications beyond 1993,

CONSIDERING that discontinuing HF radio communications at the General Secretariat would not prevent other stations maintaining HF radio communications between themselves,

The ICPO-Interpol General Assembly, meeting at its 60th session in Punta del Este from 4th to 8th November 1991:

DECIDES that the ICPO-Interpol General Secretariat telecommunications network will stop broadcasting and receiving HF radio communications at the end of 1993.
