TEXT OF RESOLUTION

RECOGNIZING the necessity for international police co-operation in the suppression of the illegal narcotics traffic and the apprehension of those involved in it,

DESIRING to present and effectuate all means of accomplishing these objectives,

CONSIDERING that we should strive for improved techniques and procedures for the dissemination of information concerning the international trafficker,

The ICPO-Interpol General Assembly, meeting in Washington from 10th to 15th October 1960 at its 29th session:

RECOMMENDS that each nation provide the Secretariat with the names of those persons known or suspected to be engaged in the international illicit narcotics traffic, together with such descriptive material as is pertinent and available concerning the trafficker himself, his methods and his associates;

ALSO RECOMMENDS that the Secretariat, from such information, prepare lists of international illicit narcotic traffickers by regions with supporting information, the same to be provided to each member country of Interpol;

AND FURTHER RECOMMENDS that the Secretariat request the United Nations, through their technical assistance program, to provide such funds as would be necessary to defray the expense thereof.
