TEXT OF RESOLUTION

BEARING IN MIND, firstly, that a Working Party was set up to draft a Disaster Victim Identification Form (49th General Assembly session, Manila, 1980) and secondly that, in view of the increasing importance of the subject, a Sub-Committee composed of police officers and forensic and odontological pathologists was established in 1986,

NOTING that the said Sub-Committee has now drafted a modified version of the Form which should prove entirely satisfactory and which has been adopted by the Working Party,

The ICPO-Interpol General Assembly, meeting in Lyons from 27th November to 1st December 1989 at its 58th session:

ADOPTS the said Form;

ASKS the Secretary General to reproduce the Form and circulate it to all the National Central Bureaus;

RECOMMENDS that all the Organization's member countries use the Disaster Victim Identification Form in all appropriate circumstances including cases in which there is only one victim to be identified.
