TEXT OF RESOLUTION

CONSIDERING that the suppression of illicit drug traffic requires effective and prompt international police co-operation,

CONSIDERING that prompt international police co-operation primarily affects countries having long common border-lines,

CONSIDERING that under many circumstances, narcotic law enforcement co-operation in border areas is highly desirable,

CONSIDERING the efficacy of past regional conferences and the desirability of attendance by representatives of all countries concerned with the problem in a particular region,

The ICPO-Interpol General Assembly, meeting in Washington from 10th to 15th October 1960 at its 29th session:

REQUESTS the General Secretariat to study this matter and to report to the General Assembly at the next annual meeting;

FURTHER REQUESTS the General Secretariat to give favourable consideration to encouraging and sponsoring future regional conferences, inviting participating countries as mentioned above.
